## **Giving, In-Kind & Engagement Opportunities**

Our Sickie Family can contribute in ways that align with their capacity, skills, and resources:

### **Financial Giving**

- You can make an annual donation of up to \$1,000, or at a level that is meaningful to you
- You can support unrestricted or program-specific efforts that advance survivorship education and patient navigation

### **In-Kind Contributions**

- Donate goods or professional services that strengthen our work, including:
  - Marketing, communications, or design support
  - Technology, software, or data tools
  - Event space, catering, or logistical support
  - Legal, financial, or strategic consulting

### **Giving Circles & Fundraising**

- Start or join a Giving Circle or online fundraiser
- Host campaigns in honor of Sickie Cell Awareness Month (September) or World Sickie Cell Day (June 19th)
- Create a personal or team-based fundraiser to engage your network around survivorship and care equity

Every contribution—financial or in-kind—directly strengthens Sickle Cell Prodigy's ability to deliver trusted, culturally responsive education and survivorship resources at no cost to the community.
